Senior Project
AwareCity 3rd bi-weekly report:

Prior accomplishments

- Improved the charity page by removing the carousel and making the volunteering organizations in a flat list with text and images.
- Successfully adding the map to the application.
- Proper navigation through the application.
- Hotline numbers now have a link to lead to the phone app.

Goal for upcoming two weeks

- Getting the “Visit” link in the volunteering list to work for the different organizations when clicked.
- Improving on the flow of the application.
- Add all the locations on the map.
- Map filters.
- Sorting markers by location.
- Fixing overall design of application for font and colors.

Challenges encountered throughout:

- Getting the links of the volunteering organizations to work within the flatlist.
- Team communication through spring break.
- Merging our different parts together.
